

TSS Meeting Paris 21-23 Oct 2016 Proposals

1. Add Student section on TSS website

2. Focus on Mayday 2017 – Three elements (currently in Draft)

suggestions for common ideas

visually connect with different struggles

aims to unite student struggles with workers

mailing list: <https://lists.riseup.net/www/info/mayday2017>

pad: <https://titanpad.com/mayday2017>

fb group: <https://facebook.com/groups/mayday2017/>

3. Taking control of our lives.....

4. Sharing experiences and links

We need a digital platform that struggles will use to feed into international convergences

Create a wiki for this purpose

More social network orientation

5. Add section to TSS website

Consolidate communications

Mapping struggles

Where we can find contacts

Promote key struggles

Visualise that the TSS is already being realised

Call to join an editorial team on this

6. Caravan around different Amazon warehouses

connect the different experiences

(amendment) also not just amazon but other warehouses

7. Summer school

We need to test if we can create a better communication

More time to deepen this process

Look at existing struggles that is ongoing

Create a stronger commitment to communication

8. Meeting in Slovenia on TSS and offer their structure to organise it (proposed in next 3-4 months)

(amendment) to focus on our common goals and relationship to demands

9. Meeting in Berlin March

In lead up to the G20 in Hamburg (June 2017)

Also in relationship to Hamburg being a logistics hub

Organise our own action during the days of G20

(amendment) careful on what is the setup of these meetings, whose involved.

10. Discuss with other Transnational Networks

11. Relates to proposal 9.
TSS to support this initiative in Berlin (proposal)
12. Proposal for TSS involvement in an assembly in London in lead up to the February 20th 1 day without us migrant strike (proposed date is Jan 30-31)
13. Day of action on April 7th 2017 – part of peoples healthcare movement possible link up with meeting proposed at 12.
14. Proposal – target subcontractors that are part of unemployment benefits system in different countries we are active in.
15. Knowledge exchange between different struggles in the same companies
16. Proposal for TSS to join-support action day for 1st March 2017 around Migration and Labour
17. Create a common language and recognition within TSS (*with reference to develop this at the slovenia meeting*)
18. Discuss clear claims that we can develop in our own context.
19. Involvement in Mayday Paris
20. Proposal for working groups (based on yesterday's contribution from comrade from Nuit Debout – paris)
21. Proposal in regards to comms
